

JBWA SKYWARN Net Activation Script

Revised for 2020

This is (call sign) activating the SKYWARN Net - this is K4TNS.

The National Weather Service has issued a warning for...

(read the warning text, in brief, without all the details)

This is a directed net. Hold all check-ins.

EMERGENCY traffic, call now.

SEVERE weather observations, call now.

(Time of observation, location, direction of travel, speed, amount).

Stations near the storm area, call now.

(Repeat the following sequence, in the box, every five minutes)

SKYWARN, this is K4TNS

(Read brief statement of NWS warning, area and direction)

(Read radar update)

Significant weather observations, please call now.

Check-ins, call now.

(At the end of an event, close the net in the following way...)

The warning has ended. Our net procedures are on k4tns.com

Our training net is on the first Thursday at 7:30 PM.

This is K4TNS closing the SKYWARN Net.

Thank you for your participation.

(report net numbers, check-ins and traffic to ribet@mon-cre.net)

TO REPORT LIFE THREATENING SITUATION: Call 911 in the affected county

TO REPORT SEVERE WEATHER TO NATIONAL WEATHER SERVICE OFFICES:

Butler & Crenshaw Counties: Call Mobile NWS @ 251-633-6443

(on the web >>> www.weather.gov/mob/storm_reports)

Loendes & Montgomery Counties: Call Birmingham NWS @ 205-664-3010.

(on the web >>> www.weather.gov/bmx/submit_storm_report)
